

THE HICKMAN COURIER.

HICKMAN, KY.

FRIDAY, FEB. 17, 1893.

The Tennessee Legislature has adjourned until March 8th.

Wills Howard, the noted Kentuckian, has been sentenced to death in Missouri.

In Prussia the price of medicine is regulated by the State, and a new price list is issued annually.

Carl Schurz was editor of Harper's Weekly at \$10,000 a year. This rather puts the laugh on the critics.

A bill allowing State banks to issue circulating notes has been introduced in the Tennessee Legislature.

The gambler having been driven out of Memphis proposes to continue business on boats anchored to the Arkansas shore.

Mr. Campbell's anti-gambling bill has finally passed the House and will be introduced in the Senate.

Jim Conner, the pugilist, now announces that he will fight any other man in the world after the close of the theatrical season in September.

Gen. C. G. Smith says the soldiers of the civil war are dying at the rate of 22,000 a year. And yet pensioning is not increased at the rate of about \$10,000,000 a year.

The Michigan legislature has rejected the bill providing for the choice of pensioners by congressional districts, and the vote of the State will be cast as a unit in 1896.

A bill is now before the New York legislature to submit to the people of Brooklyn the proposition of annexing that city to New York and bringing it under the control of the same corporation.

A HARKNESSburg thief is entitled to go to the head of his class. He was sent into an undertaker's shop and stole a coffin which had been trimmed for a dead man. The undertaker had gone to his dinner.

FREDERICK D. LASSER and his son Charles D. Lassar and W. E. Koffel, three of the most distinguished Freeholders of this day, have been sentenced to five years imprisonment on account of the Panama scandal.

THE Arkansas Legislature is at last struggling with the convict lease question. A bill has been introduced providing for the abolition of the whole lease system, and requiring the State to take entire charge of its convicts.

INSTEAD of using a new Bible, according to the general custom, Mr. Cleveland was sworn in at his inauguration in 1895 with the King's Bible, a small morocco bound one, and it is understood he will use the same one at the approaching ceremony.

CONGRESS is asked to make another appropriation of nearly \$1,000,000 for the World's Fair at Chicago. A World's Fair it would appear, is no disaster to a Republican. It is a disaster to a Democrat.

A CRUEL newspaper suggests that ex-Queen Liliuokalani, the deposed sovereign of the Sandwich Islands, might get a job as a waitress in the kitchen in some American family. Her kitchen cabinet might not prove so sinister as the White House.

ONE who took away her royal prerogative in Hawaii.

A POL has been made of Congress. The House has passed the question of annexing the Hawaiian Islands to the United States in the Senate 55 members favor a protectorate, 30 favor annexation, 25 are non-committal. The House are opposed to both annexation and a protectorate. In the House will be an extra session of Congress to pass a new tariff bill.

Wait for March 4th.

The whole country, the newspapers and all the readers of newspapers are now concerned with Mr. Cleveland's doing when he shall assume the great office of the United States.

The selection of Judge Gresham as the first place in Mr. Cleveland's cabinet, Secretary of State, is in the nature of a real sensation, and many of the truest and best men of the country are asking what it means.

PROFIT IN THE LOSS!

Odd, isn't it! That in a loss there should be profit! But it is a fact, nevertheless,—and easily understood.

It's Our Misfortune To have too many goods left. We bought heavily last fall—anticipated big trade—had a big trade—but got a good many remnants left—one of a kind—odd lots—and clean them out.

It is Your Good Fortune That now you can make \$1.00 go for as 2.00.

Not to carry over one season's stock. Better to lose a few dollars now, than four or five times as much later. Goods get old, out of style, soiled, shopworn—can hardly be sold at any price.

THAT'S WHY—There's Profit in the loss.

THAT'S WHY—We make a price to sell 'em now.

THAT'S WHY—Our Stock is always fresh.

THAT'S WHY—We are LEADERS in the trade.

We shall continue this sale this month, or until everything is cleaned up.

SUITS, PANTS, OVERCOATS, AT CUT PRICES.

\$15.00 Choice of Men's Suits and Overcoats, that sold at \$25.00, 22.50, 20.00, 18.50.
